8 v. illus. (part col.) ports. 24-26 cm. monthly.
... Began in June 1963 as a pamphlet. Three 1962 numbers were originally called vol. 1; and January and February 1963 were called vol. 1, no. 1 and 2; but it was then decided to leave the three initial numbers out of the file and begin it with January 1963. March-September are therefore nos. 9-9 of vol. 1; the remainder of the pages required for vol. 1 were then issued without date, repeating much of the three initial numbers.—Mett.
